

## Noyes, in collaboration with Class Acts Arts, Presents "Birds of Maryland Mural"

The "Birds of Maryland" mural was created by 72 youth at the Noyes Facility during 10 Class Acts Arts workshops during November and December, with PYA artists, Peter Krsko and Alicia Cosnahan. It was donated and installed at The Oaks at Four Corners, senior housing complex. It certainly brightens the community room where it was placed!

On Friday, February 18th, at 1:00 pm, The Oaks will have a reception to celebrate the mural.
